

Cordless impact driver
(without battery and
charger)

PDR 18 LI

Maximum torque and high
impact force

[Go to product](#)

Key product features

- Very powerful: high torque and high impact force ensure optimum performance when driving screws in metal and wood
- Very convenient: the compact and ergonomic shape, and a low weight ensure fatigue-free working
- The high-performance motor runs on reduced current, therefore enabling a particularly long runtime and increased efficiency

Other product advantages

- 3-stage adjustable LED light ensures optimum visibility, even in dark areas
- Powerful battery with 1.5 Ah capacity and 1-hour quick charger
- Softgrip for a better and more comfortable hold
- One battery fits all – suitable for all DIY and garden tools in the Power4All lithium-ion cordless systems

Comes complete with

- Box

Part number: 0603980340

EAN code: 3165140649988

Cordless impact driver (without battery and charger)

PDR 18 LI

Technical data

Battery voltage: 18 V

No-load speed: 0 – 2.600 rpm

Max. torque: 130 Nm

Max. impact rate: 3.200 bpm

Drill chuck: 1/4" with internal hexagon shank

Machine weight with battery: 1,25 kg

Screw diameter

Screw diameter up to: 8 mm

Functions

Compact design

Compact design, low weight

Electronic Cell Protection

Particularly long battery lifetime

Softgrip

Low-fatigue working, safe handling

Functions

Softgrip

Integrated work light
