

# HITACHI

## 18V Premium Brushless Multi Tool CV18DBLNN

- Premium Brushless Motor
  - providing ultra-long run time
- Variable Speed control: 5 stage manual settings, plus AUTO mode
- Hitachi's AUTO mode operates as an automatic transmission, automatically increasing or decreasing cutting speed as required depending on the job
- Constant Speed electronic monitoring (manual mode)
- Soft start to ensure operator is in complete control on start up
- Reliable and simple tool-less blade change – uses industry standard OIS blade system
- Compatible with ALL Hitachi 18V slide batteries

**STANDARD WITH:** 12 pce accessory set (blades, sanding pad, sandpaper)

*Bare tools are supplied without batteries, charger and carry case*
