## Cordless Rotary Hammer Drill SDS+ DH18DSLNN

The perfect solution when a fast and portable rotary hammer drill is required. Ideal for anyone who uses masonry fasteners in concrete and requires the portability that only cordless tools can offer.

- 2 mode action: Drilling only and hammer drilling
- Variable speed plus reverse
- Lightweight just 2.3Kg
- Adjustable hook with LED light

### **STANDARD WITH:**

*Side handle and depth gauge*

CAPACITY				NO-LOAD VOLTAGE	FULL LOAD SPEED	LENGTH IMPACT RATE	OVERALL OF STROKE	LENGTH	WEIGHT
WOOD	STEEL	PIPE	MASONRY						
18mm	13mm	-	16mm	18.0V	0-750/1,500/min (FWD)	0-3,100/6,200/min	-	276mm	2.2kg
