

Random orbit sanders

PEX 300 AE

The Universal random orbit sander PEX 300 AE: The effortless way to a perfect surface

[Go to product](#)

Key product features

- Compact, lightweight design for optimum handling and comfortable working
- The random orbit principle ensures the finest finish with high sanding performance and the best results, even when polishing
- Clean working thanks to Bosch Microfilter System: the built-in dust extraction element sucks the dust directly into the Microfilter Box, which comes complete with the tool

Other product advantages

- With micro Velcro-type fastening for fast and convenient sanding sheet changes
- Easy fitting of the sanding paper thanks to Paper Assistant
- Bosch Electronic: continuously variable speed preselection for material-specific working
- New cable guide with hanging hook for practical storage

Comes complete with

- Plastic case
- Paper Assistant (ET no. 2 609 004 646)
- 1 sheet of sanding paper K 80

Part number: 06033A3040

EAN code: 3165140594417

Random orbit sanders

PEX 300 AE

Technical data

Power input: 270 W

Sanding pad diameter: 125 mm

Orbital stroke rate: 4.000 – 24.000 opm

Eccentricity: 2 mm

Machine weight: 1,5 kg

Noise / vibration information

Measured values determined according to EN 60745
Total vibration values (vector sum of three directions).

Vibration emission value ah: 9.0 m/s²

Uncertainty K: 1.5 m/s²

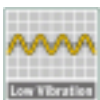

The A-rated noise level of the power tool is typically as follows: Sound pressure level 85 dB(A); Sound power level 96 dB(A). Uncertainty K= 3 dB.

Functions

Power input

270 watts

Bosch Low Vibration

Maximum running smoothness for safe working

Easy fixing

Quick and easy sanding sheet changes

Bosch micro filter system

A clear view of the sanding surface, and a clean work area

Speed preselection

Material-specific work with the right amount of power

Functions

Bosch Low Vibration

Velcro-type fastening

Micro-filter system

Speed preselection

Bosch Electronic

Softgrip
