

HITACHI

350W Multi Tool CV350V(G1)

- Super heavy duty 350W motor
- High Oscillation Speed for faster cutting, but unique new design produces low vibration back to the operator
- Hitachi's unique AUTO mode operates as an automatic transmission, automatically increasing or decreasing cutting speed as required depending on the job
- Variable Speed control: 5 stage manual settings, plus AUTO mode
- Constant Speed electronic monitoring (manual mode)
- Soft start to ensure operator is in complete control on start up
- Reliable and simple tool-less blade change – uses industry standard OIS blade system

STANDARD WITH: 11 pce accessory set and carry case
