

## Belt Sanders

### **PBS 75 A**

The belt sander PBS 75 A –  
powerful sanding and perfect  
handling

[Go to product](#)

## Key product features

- Powerful and robust belt sander – for a high material removal rate on large surfaces
- Perfect handling – easy to control thanks to improved ergonomics and compact design
- Robust housing – high quality and stability due to aluminium components

## Other product advantages

- Automatic belt system – holds the belt in the right position during sanding
- Sanding belt tensioning system – for convenient and easy sanding belt changes
- Bosch microfilter system – the built-in dust extraction element draws the dust directly into the supplied microfilter box

## Comes complete with

- 1 sanding belt K 80

**Part number:** 06032A1040

**EAN code:** 3165140739368

Belt Sanders

## **PBS 75 A**

### **Technical data**

---

**Power input: 710 W**

**Belt speed: 350 m/min**

**Sanding surface: 76 x 165 mm**

**Belt dimensions: 75 x 533 mm**

**Machine weight: 3,4 kg**

### **Noise / vibration information**

---

Measured values determined according to EN 60745.  
Total vibration values (vector sum of three directions).

**Vibration emission value ah: 3.5 m/s<sup>2</sup>**

**Uncertainty K: 1.5 m/s<sup>2</sup>**

The A-rated noise level of the power tool is typically as follows: Sound pressure level 93 dB(A); Sound power level 104 dB(A). Uncertainty K= 3 dB.

### **Functions**

---

#### **Power input**

710 watts

#### **Bosch Low Vibration**

Maximum running smoothness for safe working

#### **Automatic belt system**

Exact positioning of the belt when sanding

#### **Bosch micro filter system**

A clear view of the sanding surface, and a clean work area

**Additional handle**

Safe guidance when sanding

## Functions

---

Micro-filter system

Automatic belt system

Sanding belt clamping system
